18. **Premiere will be closed for the following holidays:**
  - Thanksgiving Break – November 26-Dec 1- classes resume Dec 2
  - Christmas Break – December 19-Jan 5 – classes resume Jan 6
  - Spring Break – March 31- April 6 – classes resume Apr 7
19. **SECURITY SYSTEM:** Premiere's most precious assets are our students, therefore in an effort to be proactive and protect your children, we have a security locking system on our door. Each dance family will be required to have either 1 access card OR 1 mobile app pass to scan at the front door in order to have access to the studio for classes. If a dance family will need additional access cards (\$20 each) or mobile app passes (\$15 for each device) – these may be purchased at the front office.

How the MOBLIE APP works: Download the BRIVO Mobile App pass onto your phone (please note: there may only be 1 mobile app pass allowed per email address/device.) We will need the email address associated with your device. After we are given your email address, we will send you an email with an invitation to join our Brivo group. This invitation is time sensitive and the link will expire after 72 hours. Open the email and click "Add to Brivo Pass". Once you have accepted the invitation, your mobile app will be up and running, you will just scan it at the front door of the studio for access during regular studio hours.

How the ACCESS CARDS work: You simply scan your access card at the front door of the studio for access during regular business hours. It is recommended that you keep your access card in your child's dance bag, in case there are different adults who drop off our child each week, that way you don't have to worry with passing off the card to different adult for drop off. If at any time you lose or misplace your access card, it is imperative that you let us know ASAP so that we can deactivate the card. Please do not write the studio name on the card, because if it is ever lost and falls into the wrong hands before we can deactivate it, that person would have entry access to our studio. Lost cards will need to pay \$20 to have the card replaced.- this is one of the reasons we recommend the mobile app pass.

#### RETURNING STUDENTS:

If you have an access card from the 2023-24 season, you NEED to hold onto this card, as you will use the same card each season – however, it will need to be re-activated for the new season. If you have lost your card from a previous season, you will be charged for a new card -\$20.

If you have a mobile app, in order for your app to work for the fall classes, we will need to send you a NEW email with an invitation to join our FALL 2024-25 Brivo group. This invitation is time sensitive and the link will expire after 72 hours. Open the email and click "Add to Brivo Pass". Once you have accepted the invitation, your mobile app will be up and running, you will just scan it at the front door of the studio for access during regular studio hours.

20. All students are expected to adhere to the required dress code that is listed below. If a student does not dress properly for class, then they will be asked to sit and watch class.
